

Family Tours

Lakeside historical town walking
and local food tasting planned by
young students

Wed Oct 11

9 AM - 12 PM

at the Yoshizaki Gobo
Kitakata Lakeside
Garden

History exploration

Open Garden

- Sabule&Herb tea
- Fun Fair
- Roasted sweet potato

Message

The family tour is planned and operated by students from the Department of Sustainable Agriculture, Faculty of Bioresources, Fukui Prefectural University as part of their education.

We hope to provide everyone with a happy time with the themes of health, agriculture, and food.

The open cafe was created using local organic ingredients and by networking with local people and cafes.

Enjoy the taste of autumn.
